Contact your Disney Representative for Theme Park Ticket pricing information.

Tickets are non-transferable, non-refundable and exclude activities/events separately priced. Tickets will be valid for use only for entrance to the applicable Walt Disney World® Resort Theme Park(s) of the applicable ticket type. Tickets (including the Fun visits) expire and will no longer be valid after the last valid date of the Ticket. First use (or use of a 1-day ticket) must be on the purchased start date of the Ticket. Such start date must be selected for a date that falls within the seven (7) days before or after the first day of the applicable meeting, convention or other event. Accordingly, valid dates will vary based on the date selected and the dates of the particular meeting, convention or other event for which the ticket is purchased. First use must occur between 1/1/26 and 12/31/26 but after 12/31/26, the amount paid for an unused ticket may be applied towards the purchase of a new standard ticket available at our theme park ticket windows at the then current price, so long as the new ticket purchase price is equal to or greater than the amount paid for the original ticket. Multi-day prices reflect advance-purchase savings on full-day tickets of 2 days or longer when purchased before your meeting/convention. Savings based on the non-discounted price for the same ticket sold at Disney-owned and -operated Guest Service desks in the Central Florida area as of 1/1/26. Prices subject to change without notice. Theme parks, attractions and other offerings are subject to availability, closures, change or cancellation without notice or liability. Park admission, offerings and ticket options are not guaranteed. We reserve the right to cancel any offering. Total number of visits varies based on number of days on the ticket purchased.
