

# U.S. Population Growth by Component

# IMPORTANT DISCLOSURES

The information contained in this document is provided to you at your request for informational purposes only and is not, and may not be relied on in any manner, as legal, tax or investment advice, or as an offer to sell, or a solicitation of an offer to buy, an interest ("Interest"), in a fund (as applicable, the "Fund") sponsored by Affinius Capital LLC and its advisory affiliates (collectively, "Affinius" or the "Firm"). A private offering of Interests in a Fund will only be made pursuant to a confidential Private Placement Memorandum, a Fund's Limited Partnership Agreement and the Fund's Subscription Documents (collectively, the "Governing Documents"), all of which will be furnished to qualified investors on a confidential basis at their request for their consideration in connection with such offering. Prospective investors should ask questions of and obtain answers from the Firm concerning a Fund and any additional information they consider necessary or appropriate to make an informed decision whether to invest in a Fund. This document provides details of an indicative proposal only, and is subject to further elaboration and change, and should not be considered to be a recommendation by any person, that the possible investment opportunity described would be suitable. The information contained herein will be superseded and is qualified in its entirety by the Governing Documents, which contain additional information about the investment objective, terms and conditions of an investment in a Fund, including tax information and risk disclosures that are important to any investment decision. You are in receipt of this document because the Firm has reason to believe that you understand the risks and limitations of investing in real estate with the appropriate resources and financial expertise to analyze this information independently.

This document may contain forward-looking statements that include statements, express or implied, regarding current expectations, estimates, projections, opinions and beliefs of the Firm, as well as the assumptions on which those statements are based. Words such as "believes", "expects", "endeavors", "anticipates", "intends", "plans", "estimates", "projects", "assumes", "potential," "should" and "objective" and variations of such words and similar words also identify forward-looking statements. Such statements are forward-looking in nature and involve a number of known and unknown risks, uncertainties and other factors, including those described in this document, and accordingly, actual results may differ materially, and no assurance can be given that a Fund will achieve the returns from its investments that it is targeting. Investors and prospective Investors are cautioned not to place undue reliance on any forward-looking statements or examples included in this document, and neither the Firm nor the general partner of a Fund assume any obligation to update any forward-looking statements as a result of new information, subsequent events or any other circumstances. Such statements speak only as of the date that they were originally made.

The information in this presentation is only as current as the date indicated and may be superseded by subsequent market events or for other reasons. The information is proprietary and must be kept strictly confidential by the intended recipient and may not be reproduced or redistributed in any format, without the Firm's prior written approval.

Certain information contained in this document has been obtained from published and non-published sources. Recipients should understand that any such information may not have been independently verified. Except where otherwise indicated herein, the information provided herein is based on matters as they exist as of the date of preparation and not as of any future date and will not be updated or otherwise revised to reflect information that subsequently becomes available, or circumstances existing or changes occurring after the date hereof.

The opinions and recommendations herein do not take into account the individual circumstances or objectives of any investor and are not intended as recommendations of particular investments or strategies to particular investors. No determination has been made regarding the suitability of any investments or strategies for particular investors. Portions of this report may reflect our opinions and beliefs regarding general market activity and potential impacts of current market conditions. Such opinions and beliefs are subjective, do not represent a complete assessment of the market and cannot be independently verified

Affinius Capital is not making any representation with respect to the eligibility of the recipients of this Presentation to acquire Interests under the laws of the any jurisdiction outside the United States. The Interests have not been registered in any jurisdiction for private or public offering, and none of the Interests may be offered, sold or delivered, or offered or sold to any person for re-offering or resale, directly or indirectly, except pursuant to applicable laws and regulations. The base currency for the Fund may be in a different currency than the official currency where it is being marketed. Therefore, the return may increase or decrease depending on the exchange rate between the two currencies and any fluctuation. Unless otherwise noted, "\$" means United States dollars.

Australia: The provision of this document to any person does not constitute an offer of interests in the Fund to that person nor an invitation to that person to apply for interests in the Fund. Any such offer or invitation will only be extended to a person if that person is a wholesale client for the purposes of section 761G of the Corporations Act 2001 (Cth) of Australia (Corporations Act).

An investment in a Fund is intended to be a long-term investment and investment in a Fund involves significant risks, including risk of loss of the entire investment. There is no public market for the Interests and none is expected to develop. Investors may not be able to transfer or redeem all or part of their interest because of restrictions on transferability or redemption. Investors should have the financial capacity and willingness to accept the risk of loss and other risks associated with an investment in a Fund for an indefinite period of time. Prospective investors should consult their own legal, tax and financial advisors as to the consequences of an investment in a Fund. Although the Firm believes it and its personnel will have competitive advantages in identifying, diligencing, monitoring, consulting, improving and ultimately selling investments on behalf of a Fund, there can be no guarantee that the Firm will be able to maintain such advantages over time, outperform third parties or the financial markets generally, or avoid losses.
